

# International Student Insurance

## Junior Programmes

For junior students who book directly through the Lewis School, insurance cover is included in the package fees.

The Lewis School of English strongly recommends that you have fully comprehensive insurance to cover you in case of accident or emergency. New immigration laws introduced in 2016 now mean that all non-EEA students, regardless of their occupation and length of stay, are required to pay high National Health Service (NHS) fees for all services.

We are working in partnership with Endsleigh to provide our students with a policy which has been specifically designed to meet your requirements whilst you are studying in the UK. Policy benefits include:

- 24 hour English speaking helpline for medical emergencies
- Cover for over 100 activities as standard
- Medical expenses should any child or school group leader be injured or fall ill during the trip
- Theft, loss or damage to any of your luggage, clothing and personal belongings including valuables
- Course Fee cover

This table shows the maximum amounts payable under each section:

Cover Section	Comprehensive Cover
Cancellation or Curtailment Charges	£3,000
Emergency Medical & Other Expenses	£2,000,000
Personal Accident	£30,000
Course Fee	£8,000
Personal Liability	£1,000,000
Baggage	£1,000

This is only a summary of the cover provided. The full policy document can be read in full on the Lewis School of English website, which can be accessed by clicking the link at the bottom of the page.

NB It is an advantage to take out your travel insurance at the time of booking your trip as cover will commence for pre-departure cancellation from the date you are accepted for cover. This will, therefore, provide cover should you have to cancel your trip for an insured reason such as illness or serious accident preventing you from travelling.
