

Job Description – Teacher Junior Summer Centres

Introduction

The Lewis School of English was established in 1976 and has been running junior programmes since 1997. Our main school and all our summer junior centres are accredited by the British Council. We are also members of Quality English and English UK, and are an Investor in People. We proudly describe ourselves as a 'boutique' language school – independent, customer-focused and high in quality.

Our students come from all over the world – across our summer centres we welcome students from over 30 different countries each year. Students receive English language tuition together with a fun-filled activities programme. The activities programme includes daytime and evening activities and full-day and half-day trips to local attractions and popular tourist destinations. In larger centres we operate a 'zigzag' timetable whereby half of the students have lessons in the morning and activities in the afternoon and the others vice-versa, alternating on a weekly basis. Please note that the programmes and timetables are different for each centre.

Working Week

Classes run 5 days per week, and teaching may take place on Saturdays depending on the centre. Teachers will be allocated hours by the Head Teacher on a weekly basis. Due to fluctuations in student numbers the number of teaching hours can vary week to week up to a maximum of 30 hours. In addition, teachers will attend regular meetings (paid). Paid INSET will be held to aid their continuous professional development.

This position may be available as a residential position which would include teaching, participation in the activities programme and residential duties.
