

Job Description

Activity Leader (Summer Junior Centres 2010)

Posts in Southampton, Reading, London (Harrow), Northampton & Stirling

This post is residential, with full board accommodation included

Salary £260 per week

We are looking for energetic, outgoing people who have a professional attitude, can work well in a team and enjoy the challenge of a fun and busy international environment.

Requirements

- You must be eligible to work in the UK
- You must be aged 19 or over
- You will be advised on your bank account requirements
- Previous experience working with young people is desirable but not essential
- You should be able to lead activities in arts, entertainment or sports
- First aid or lifeguard qualifications are an advantage

Lewis School Junior Centres

The Lewis School of English, Southampton, was established in 1976 and is open all year round for adult courses. We have been running junior programmes since 1997 and have recently expanded our operations to offer summer junior centres in Southampton, Reading, Northampton, London (Harrow) and Stirling. Our students are aged between 11 and 17 and come from all over the world. Students receive English language tuition together with a fun-filled activities programme.

As an Activity Leader, you will

- Encourage and motivate students to participate fully in the programme
- Set up and take part in various sports activities and tournaments
- Set up and lead creative activities, e.g. in art, dance, drama or music
- Guide and supervise students on half-day and full-day trips to other cities and attractions
- Set up evening activities, e.g. discos, fancy dress parties, shows and competitions. Entertain students during these activities.
- Supervise students during mealtimes
- Work six days per week, with shifts including a variety of mornings, afternoons and evenings, on a rota basis

Residential Activity Leaders

- Residential Activity Leaders receive full-board accommodation
- Residential Activity Leaders will be required to do additional supervision duties on a rota basis
