Meet & Greet Service. For groups of 9+, a professional meet and greet service for groups is included in the price. Individuals and small groups are personally met by the driver.

Flight Information. It is vital that we receive all the information for the departure and arrival at least one week before the flight.

Unaccompanied Minors. If your child is under 16, please check the airline's regulations relating to 'unaccompanied minors'. Different airlines have different policies and age limits for young persons. We can then ensure that we follow the correct procedures for your child's arrival and departure. In some cases extra costs may be incurred.

Airport Assistance Fee (Departures from UK Airports). Many airline companies require that children under 14 are checked in at the airport by an adult, who must accompany the child until one hour before departure. The School will arrange this service if the student is under 14 and taking a flight from the UK without an adult accompanying them. In this case, an airport assistance fee of £60 will be applied in addition to the taxi transfer fee.
