Our new residential year-round centre at Newland Park offers an ideal base for your junior group programme. Just 40 minutes from Central London, it is very conveniently located for discovering the capital, and yet it also provides a green and spacious environment to relax in.

Green and pleasant campus so close to London!

Chalfont Campus was previously part of Buckinghamshire New University and therefore offers university-style facilities. Many of these have recently been refurbished. The campus is set in 32 hectares of beautiful parkland with an amazing array of wildlife, including deer, badgers, owls and even parakeets! The outdoor space also includes very good sports facilities with 4 full-size football pitches and 3 tennis courts as well as woodland walks. Indoor facilities include a disco, a dance studio, a theatre, a sports hall, a large dining hall and a cafe as well as spacious common rooms. Wi-Fi is available in social and academic areas of the campus and there is 24/7 gated security.

Nearby is the charming village of Chalfont St Giles, and - as well as London - there are plenty of top attractions within a short distance, such as Windsor Castle (35km), Oxford (60km) and for Harry Potter fans, Warner Bros Studio Tour (16km). You'll truly have the best of both worlds in London's countryside!
