## Fantastic facilities at our popular Reading Junior Centre!

At our Reading Centre, you can enjoy a range of top-class facilities. This includes accommodation of a very high standard in halls of residence that opened in 2010, a stylish new dining hall, a disco/party room and excellent sports facilities which include an indoor sports centre, tennis courts and an astroturf pitch. Some activities, such as swimming, may take place at St Joseph's College, a charming, traditional school founded 100 years ago and based just a 2-minute walk away. Reading (population 235,000) is a large, historic and modern town only one hour from Central London by road and 35 minutes by train.

*\*The age range is 11-17. However, we may accept a younger or older student from the same school year as someone else in the group.*
