Important Information

Flight Information

It is vital that we receive all the information for the departure and arrival at least one week before the flight.

Unaccompanied Minors

If your child is under 16, please check the airline's regulations relating to 'unaccompanied minors'. Different airlines have different policies and age limits for young persons. We can then ensure that we follow the correct procedures for your child's arrival and departure. In some cases extra costs may be incurred. See 'Airport Assistance Fee' below.

Supplementary Fees

Meet and Greet Service: £65*

A meet and greet service for groups can be arranged for groups of 9 or more passengers. This service will meet the group in the arrivals hall and take them to the transfer coach. Group leaders may choose to do this themselves. Individuals and small groups arriving by car or MPV are personally met by the driver so do not need an extra meet and greet service.

*An additional £30 will be charged for flights arriving between 22.00 and 05.00.

Additional Drop-Off / Pick-Up: £10

An extra £10 is charged for each additional drop-off or pick-up.

Waiting Charge

After the first two hours following the landing time, you will be charged **£18 per hour** pro rata for any delays. This is to cover the cost of parking and the driver's time.

Airport Assistance Fee (Departures from UK Airports)

Many airline companies require that children under 14 are checked in at the airport by an adult, who must accompany the child until one hour before departure. The School will arrange this service if the student is under 14 and taking a flight from the UK without an adult accompanying them. In this case, an airport assistance fee of **£65** will be applied in addition to the taxi transfer fee.
