## Discover one of England's most vibrant cities!

Bristol buzzes with life! The largest city in south-west England (pop. 450,000), it is known not only for famous landmarks like the Clifton Suspension Bridge and Brunel's ship *SS Great Britain* on the historic waterfront, but also for its vibrant arts scene that gives the city a distinctive identity. Our centre, based 6km from the city centre, offers facilities of a very high standard on a pleasant, modern campus. Accommodation is in an attractive complex with spacious en-suite rooms, and within a short walk you'll find shops, a bank, cafes and an excellent sports centre with squash courts, a climbing wall and more. There are also very good transport links to the buzz of the city centre!

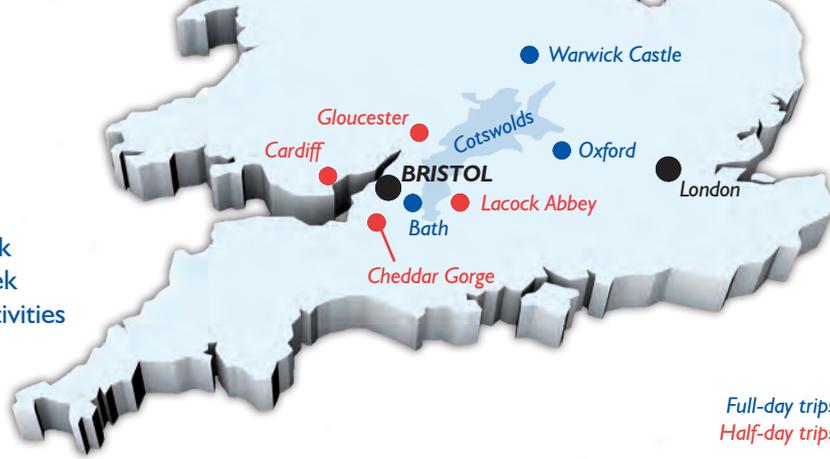

*\*The age range is 12-17. However, we may accept a younger or older student from the same school year as someone else in the group.*
