

Theatre Camp

Meet British students & create your own show!

- New Forest Junior Centre: 15-29 July 2018
- Fixed 2-week programme
- 15 hours of performing arts tuition per week
- 1 half-day trip and 1 full-day trip per week
- Variety of daytime and evening activities
- For UK and international students
- Minimum English level: Higher Intermediate (B2)

Join us for a unique opportunity to improve your skills as a performer and work with students from Britain as well as from around the world. At our 2-week camp, you will have the opportunity to develop your knowledge of performing arts, acquire new skills, discover a new talent and work as a team towards a performance.

Taught by performing arts professionals, your sessions will include musical composition, storytelling, singing, stage combat, dancing, mime and acting for the stage. Working from various stimuli you will discover and create characters, plot lines and plays. As a team you will select your preferred show that will showcase your individual skills and strengths as a group. You will then be led towards your performance through compact rehearsals of blocking, playing to audience, characterisation, performance techniques and direction. We are confident that this will be an experience you will never forget!

Above: final show. Left to right: relaxing in the field, final show, tableau exercise.

Timetable subject to change. *Afternoon activities are from 14.00 to 18.00 on days with evening activities.

Benefits of Theatre

The performing arts are a powerful complement to language study. They are also an excellent tool for allowing students to express themselves, develop critical thinking skills, enhance self-confidence and improve the life skill of improvisation. Working towards a theatrical performance requires self-discipline, commitment and teamwork, all of which will help students with their on-going development.
