

LEWIS SCHOOL OF ENGLISH

Exam Results 2016

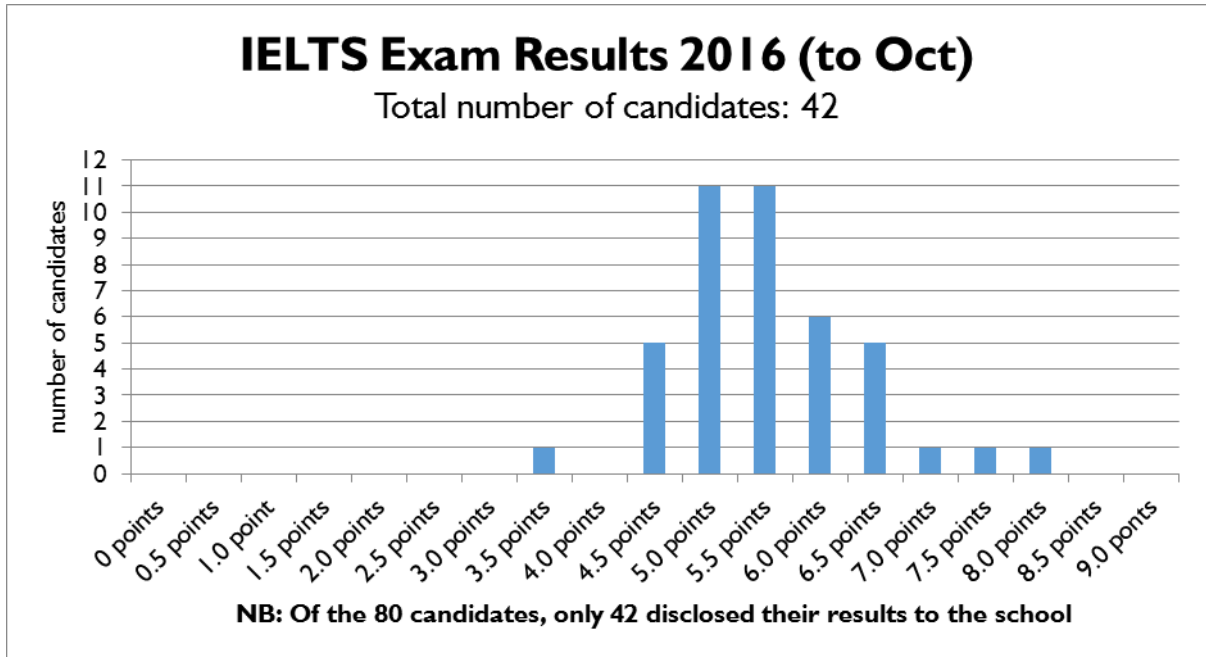

Overview

111 of our students took an English language examination or teacher training qualification in 2016 and reported their results. The examinations taken were Trinity GESE and IELTS examinations, and the Trinity CertTESOL teaching qualification.

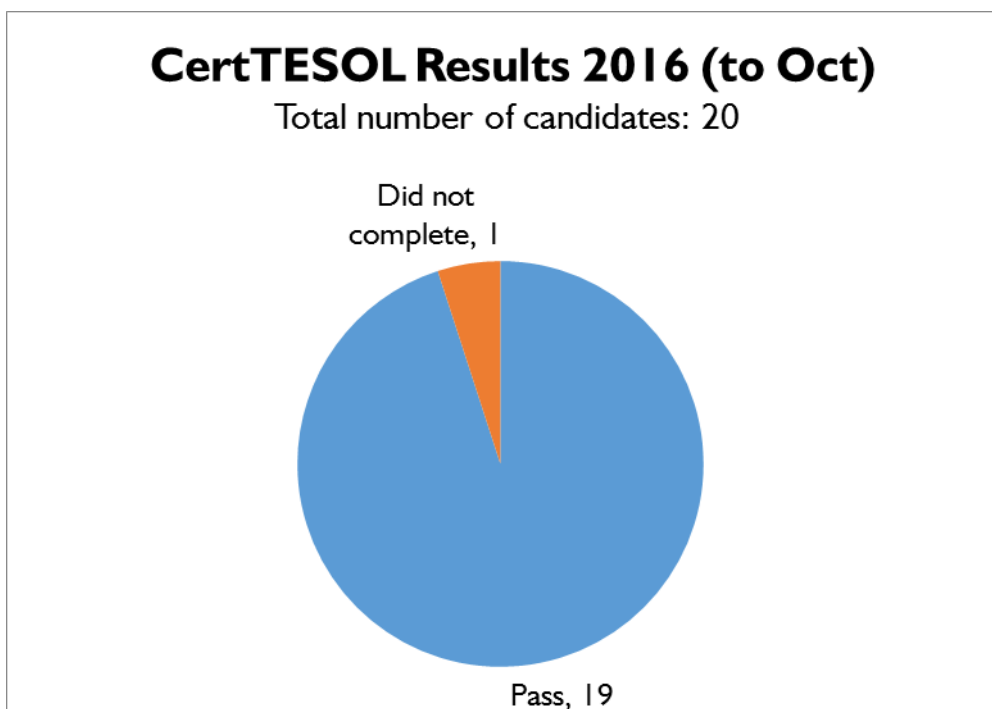

Pass marks were high, with 97% of our junior students achieving a pass in Trinity GESE and 95% of our CertTESOL trainee teachers completing and passing the qualification. IELTS is not included in these percentages as all results are based on points rather than a pass or fail. The average IELTS score was 5.5 for adults and 5.75 for juniors.

Full details of exam results are included in the tables below.
